# *Three Nine Hole Courses*

## REDEMPTION - SALVATION - TREPIDATION

Addison Reserve offers its Members a lifestyle that features first-class amenities that are enjoyed against a background of 653 meticulously landscaped acres.

No matter where you look on the three courses – you will find gentle slopes, subtle contours, sparkling lakes, and lush native vegetation. The towering palms, stately oaks, flowering foliage, and subtropical grasses capture the essence of what everyone loves about Florida. The three courses have been refreshed incorporating a state-of-the-art irrigation system, Celebration grass, quarried rock walls, fountains and a lighted waterfall feature.

# INSIDE LOOK

## Redemption Course

---

*Josh LaPointe, PGA  
Head Golf Professional*

*"Redemption #1 is the toughest starting hole of the three courses with a lake down the entire left side of the hole. The tee shot presents itself with a beautiful view of the lake, native wildlife and start of the rock wall that surrounds the left side of the green. You will have many options as to which club to use off tee, but keep in mind that the longer shots into this narrow green, surrounded by bunkers and water, are much more difficult. The ideal way to play this hole is with a driver or 3 wood off the tee as close to the water on the left as possible and a short iron into the green. This is a great starting hole as it is a short hole with a great birdie opportunity, however if you hit an errant drive or second shot, it makes for a difficult par 4."*

# INSIDE LOOK

## Salvation Course

Kevin Baldizar, PGA  
Director of Golf

AIR

"Salvation #9: This hole is long Par 5 with water down the left-hand side that begins to cross in front of the green at 70 yards. The tee shot is framed by a well-placed bunker on the right and water on the left. Even with a great drive going for the large multi-tiered green is questionable at best. Your second shot on this hole should be a layup leaving 100 yard to 70 yard for your 3rd shot. When preparing for your third shot be sure the beautiful rock walls and backdrop do not distract you from the task at hand. On your 3rd shot you must hit the correct portion of the green for chance at Birdie otherwise a poorly struck should shot could bring a 3 putt bogey into play."

# INSIDE LOOK

## *Trepidation Course*

---

*Michael Finney,  
PGA Lead First Assistant*

*"Addison Reserve has some of the most beautiful and difficult par 3's. #3 of Trepidation, which is a par 3, is one of my favorite holes at Addison. The lake to the left of the hole is surrounded by beautiful native grasses and Cypress trees. Occasionally you can catch a glimpse of a Roseate Spoonbill who seems to call this lake home. When playing this hole, if you hit a good shot, you are rewarded, however, the long narrow green is elevated and penalizing to less than perfect shots. The green is flanked with catch basins to the left and right of the green. Chipping/pitching from either side is challenging. If you walk away with a birdie or par on this hole you leave the green feeling pretty good."*

Ranks #5 nationally in the top 125 Platinum Country Clubs by Platinum Clubs of America and as the #25 top Golf & Country Club in the World.

The recipient of the coveted Distinguished Clubs of the World Award.

A healthy lifestyle is important to us at Addison Reserve. Recognized as one of America's Healthiest Clubs.
